Mr. Tom King left Wednesday for Chicago. His marriage to Miss Ima Bickstead, at the home of the bride's parents, Dr. and Mrs. Paul Hulhorst, 6266 Ashland boulevard. The wedding is to be simple in detail, and only relatives will attend. Mrs. Harry B. Clark, who is now in Chicago, will be a guest. After a wedding trip Mr. King and his bride will come to Topeka and will make their home in the Baker apartments.

Mr. King is city passenger agent for the Santa Fe and some of the men of the company are planning to give Mr. King and his bride such a welcome as they believe a man of his position, his wide acquaintance and his somewhat extended residence in this city as a bachelor, is entitled to enjoy. They have organized a Committee on Amusement, of which Mr. William Collinson is chairman. Mr. Collinson is amply fitted for his task, for the attentions he received upon the occasion of his own wedding are still fresh in his memory. A torch light procession is being arranged which

will be followed by a brass band serenade for the bride couple upon their return from their wedding trip. This serenade is to be given by the Apprentice band, led by Mr. Price, and under the direction of Mr. Frank W. Thomas. Mr. F. Jarrell is to be the marshal of the parade. He is directed to ride a white horse and don a red sash while he is on duty. The band is practicing for the event, giving special attention to the proper rendition of the song, "Good-by, Girls, I'm Through." No information has been given out as to the itinerary for the honeymoon trip, and in order to insure a welcome for the travelers in case they should arrive in any of a number of cities, a committee on entertainment has been appointed, whose members are: Mr. Thomas McRae of Chicago; Mr. L. B. Smith, Kansas City; Mr. R. Stevens, Wichita; Mr. R. D. Johnson, San Francisco; Mr. A. B. C. Dutcher, Ash Fork, Ariz.; Mr. Hal Norton, Colorado Springs; Mr. W. F. Miller, New York; and Mr. Sam Larimer, Des Moines, Ia.

Other committee chairman and officers are: Mr. Frank Jarrell of the

Warren M. Cosby Co.

Adding a Touch of Color To Rooms Dull and Uninviting

Makes all the difference in the world. At the present time, with days growing cooler and evenings lengthening themselves out, more time is spent indoors. For this one reason, if no other, the home should be made as comfortable and attractive as possible. The addition of new curtains, some fancy draperies or a few new rugs will help out wonderfully—and the cost is only negligible when compared with the improvement attained. On the Third Floor you will find everything necessary in the way of Rugs, Draperies, Curtains, etc. Prices are as follows:

Couch Covers from 98c to \$8.50
Portieres from \$2.25 to \$16.50
Voile Curtains, a pair \$1.50 to \$15.00
Marquessette Curtains, a pair \$1.95 to \$15.00
Lace Curtains, a pair 75c to \$15.00
Small Rugs from 60c to \$7.50
Room Size, 9x12 Rugs from \$9 to \$48.50

The nuisance department announces that it has some plans in reserve for some other public bachelors who are suspected of matrimonial designs.

Of rich orange brocade, this handsome wrap is bordered with black fox fur and the neckpiece of the fur is worn closely around the throat. A

good idea is the drawing in of the front fullness under cord ornaments, to give a graceful line at the front, while the back hangs in full ripples.

Many are testifying to the great benefits they have received from the premier preparation, Tanlac, and many more will have cause to praise its merits as the magic remedy becomes established in the homes of Wichita and vicinity.

Among those who have tested the value of Tanlac, and who are loud in its praise is J. M. Worley, employed in the printing department of the Southwestern Broom & Warehouse company, and who resides at 1241 Wabash avenue, Wichita, Kan. Mr. Worley is well known amongst the people of this section of the state, as he has been quite an active man during his fifty-eight years of life, having spent many years in the printing department of the same company, and in the Kansas penitentiary five years, and perhaps is better known for his activity as a member of the Murdock National Congressional committee, of four years ago. This is what Mr. Worley had to say Saturday:

"I have suffered for twenty-five years with indigestion, stomach and kidney trouble. My stomach had become so bad that I could not bear the weight of my hand on it. I was annoyed with gas formations of the stomach and bowels, my appetite was very poor, I was unable to eat a good breakfast for six or eight months. I could not sleep well at nights, and on arising in the morning felt as tired as on going to bed. I had severe headaches at times and often became dizzy.

"Since having taken Tanlac, I can honestly say that I eat three big meals a day and enjoy them. No longer do I have gas conditions or indigestion, my digestive organs seem to be alright in every way. My kidneys and stomach now function properly, and I feel very grateful for the benefits I have secured from Tanlac.

"This statement coming from a man of Mr. Worley's prominence, is another proof of the value of Tanlac, the premier preparation. It is beneficial, as has been shown, in cases of stomach, liver, kidney and catarrhal troubles. Mr. Worley's experience should prove a value to others.

Tanlac can be secured in this city at the fully McFarland drug store, Ninth and Kansas avenues, where W. C. Pope is daily explaining the merits of this premier preparation from nine until nine.

Tanlac can be had for \$1.00 a bottle, three for \$2.75 or six bottles for \$5.00.—Advertisement.

A choral society is being organized among the young women of the College of the Sisters of Bethany. A double quartette will be formed from among the voice pupils and all the day pupils in the collegiate department will have an opportunity to sing in the chorus. The organization expects to give some public musical affairs during the year, including some good cantatas. Mr. Paul Lawless, of Kansas City, who is at the head of the department of voice, has arrived, and will meet his classes Mondays and Thursdays. Miss Mutton, of the piano department, will give a recital some time next week. The place for the concert has not been chosen, but it will probably be given in some downtown building.

The domestic science department of Bethany, established in the school a few years ago, has been opened for the children in the intermediate department. The little third and fourth form girls do their mixing and cooking at the big table in the domestic science room, and some of them are so small they have to stand on a little platform that are arranged in a row along the table. They find their lessons the most enjoyable part of their day's work. They array themselves in white caps and aprons that they fashioned themselves, and in addition to the practical work of making a big variety of dishes, they are taught the rudimentary principles of the balanced ration and nutritive food combinations.

The Thursday Study club gave a luncheon today at the home of Mrs. C. T. Lawrence, 824 Fillmore street. The party is the first of the meetings of the club for the year. The tables were decorated in the club colors, yellow and green. Following the luncheon some informal addresses were made on various phases of club life and the benefits to be derived from the club's course of study. The speakers were: Mrs. J. M. McLean, Mrs. F. J. Bell, Mrs. C. A. Kline and Mrs. Quail. A short business session was held in the afternoon, at which Mrs. A. R. Thorman, the president, presided.

Covers were laid for Mrs. C. M. Hensley, Mrs. C. S. Dietrich, Mrs. C. E. Kline, Mrs. McLean, Mrs. Thorman, Mrs. W. M. McKay, Mrs. A. L. Nelson, Mrs. W. D. Ross, Mrs. A. R. Springer, Mrs. W. S. Amos, Mrs. F. J. Bell, Mrs. Kline, Mrs. Quail, Mrs. C. R. Hall, Mrs. C. D. Wellman, Mrs. L. M. Hall, Mrs. Lawrence, and Miss Gladys Dougherty.

Mrs. B. F. Akers and Mrs. J. A. Cole will entertain at a luncheon Tuesday of next week at the Country club, Mrs. Arthur L. Murphy, of Tulsa, Okla., will be a guest.

Chicago club women differed materially when asked what they thought of scratching out the word "Woman's" from their club titles and admitting the men into their societies. Some of them wanted the men out of everything, but the majority were willing to let them in some of the societies and bar them out of others.

Minnesota women at the convention of the State Federation of Women's Clubs in Duluth on Wednesday decided to scratch the title and admit the men, which raised the question in Chicago.

The discussion now on in Chicago never bothered Topeka women. The Equal Suffrage League in Kansas and in Shawnee county had many male members, who paid dues, made speeches, and otherwise assisted in the campaign.

The Good Government club has had honorary members on the roll for years, and those men occasionally attended the meetings, and lend their assistance in the projects of the organization. There was a time when the Federation had some male members. The Kansas club women think that clubs which deal with public affairs especially can afford to welcome the men who are enough interested to want to co-operate with them to that extent.

Mrs. William Redwood Smith will give a bridge-tee Friday afternoon for Mrs. Arthur L. Murphy, of Tulsa, Okla., who is visiting her sister, Mrs. Charles Blood Smith. Mrs. Fred Freeman entertained a few guests at bridge Wednesday at the National, for Mrs. Murphy.

Miss and Mrs. J. M. Connell are leaving for a trip east. They will visit New York, Boston, Quebec and Montreal, and will spend some time in the White mountains, returning in about a month.

Miss Lua McCammon of Junction City has returned to her home after a visit to Mrs. Harry Forbush and Mrs. Joseph Howe will move soon from their present home to cozy apartments in the Kemper flats, 711 Topeka avenue.
